RECOMMENDED ACTION

Recommend the City Council adopt - A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, ADOPTING A POLICY FOR SPONSORSHIPS AND ADVERTISEMENTS

EXECUTIVE SUMMARY

Upon recommendation from the Sponsorship Subcommittee and City staff, the Orange County Great Park (OCGP) Board and City Council approved a contract award on February 25, 2020, to The Superlative Group, Inc. (Superlative) for the development and administration of a comprehensive sponsorship program at the OCGP. The Agreement establishes guidelines and priorities in recognition of the sponsorship opportunities that exist within the City, including the OCGP, due to its growing popularity and superior amenities.

To facilitate this effort, the Sponsorship Subcommittee and City staff are recommending updates to the City's existing sponsorship policy which currently *excludes* the OCGP. With new facilities throughout the City, including the OCGP, and a desire to provide citywide guidelines for securing sponsorships and potential naming rights, a more wide-ranging and detailed sponsorship policy is needed. The proposed resolution and policy, presented as Attachments 1 and 2 respectively, provide the City with the guidelines and framework under which sponsorships will be secured, along with approval authority over key sponsorship agreements. Moreover, the policy would support the City Council's approval of a contract with Superlative for implementation of a comprehensive sponsorship program at the OCGP.

COMMISSION/BOARD/COMMITTEE RECOMMENDATION

The proposed policy has been reviewed and recommended by the Sponsorship Subcommittee.

ANALYSIS

Existing Policy

City sponsorship policy language currently exists within a broader policy and procedures document entitled *Collaborations, City Supported Partnerships, and Sponsorships Agreements*, which was adopted by the City Council in 2011. The establishment of this policy provided a framework and guidelines for various relationships between the City and the community in the implementation of collaborations, sponsorships and City support of organizations. This policy has been under staff review since over time, the policy has become outdated and difficult to administer. As such, staff recommends that the existing corporate sponsorship procedures be removed from the existing policy/procedure document and a new policy adopted by Resolution No. 20-xx as the Sponsorship and Advertisement Policy. The remaining elements of the existing policy will remain intact as shown in Attachment 3 until updates are considered and approved by City Council, anticipated in spring of 2020.

New Proposed Sponsorship and Advertisement Policy

To provide the City with opportunities to enhance and improve the quality of amenities and services through in-kind and direct financial support, with Sponsorship Subcommittee input, staff developed a more comprehensive policy governing the implementation of a sponsorship program citywide. The new proposed Sponsorship and Advertisement Policy includes the following enhancements:

- Sponsorship opportunity types for solicitation of financial and/or in-kind sponsorships:
 - Events and Programs – City-organized event on City-owned property (e.g., sponsor for Irvine Global Village Festival) or broad group of services constituting a citywide program (e.g., Irvine Animal Care Center Foster Care Program).
 - Projects – specific City-sanctioned project (e.g., support for enhanced playground amenities).
 - Sites – specific City facility, amenity, or feature (e.g., senior center computer lab).
- Solicitation of Sponsors and Advertisers
 - Proposed sponsorships must be compatible with the City's mission and values and support the City's priorities, programs, and core services.
 - Proposed sponsorships must be compatible with the City's Logo Policy, Zoning Code, Municipal Code, Naming Policy, and the Brand Management and Style Guide.
 - City may hire a third party to solicit sponsors and advertisers.
 - Mayor, City Council members, and appointed Board and Commission members are prohibited by law from soliciting sponsorships.

- Sponsorship Agreements and Approvals
 - Sponsorship agreements will include details of the sponsor's and City's obligations, benefits of the sponsorship, and conditions for termination of the agreement.
 - Naming Rights and Sponsorship Agreements of \$100,000 or above, will first be reviewed by the Sponsorship Subcommittee with recommendations being forwarded to the OCGP Board and City Council for approval.
 - Agreements for sponsorship with proposed funding of less than \$100,000 require City Manager (or designee) approval.
 - Revenue generated through sponsorships and advertisement contribute directly to offset costs to the City, including investment in aging infrastructure and facilities.

ALTERNATIVES CONSIDERED

The Board could choose not to adopt the new Sponsorship and Advertisement Policy or provide additional input and guidance. In order to implement the new sponsorship initiative at the OCGP, staff does not recommend this alternative.

FINANCIAL IMPACT

The Sponsorship and Advertisement Policy offers a new opportunity for the City to enter into new high-dollar sponsorship agreements with external organizations that are expected to generate significant financial and in-kind resources for the City.

Nothing in this policy or the associated procedures is intended to convert City events into public forums of general speech and/or public expression, except as provided by law. To the extent any City event, site, project or program is designed for a specific purpose or public message, such event, site, project or program shall remain a non-public forum subject to the City's exclusive use and control.
